Seminar on Arach Posted by kev - 02 Aug 2016 20:52
ts in the USA but its a slightly different approach to pain relief.
dailyusa.pw/new-treatment-gives-hope-to-arachnoiditis-patients/
Re: Seminar on Arach Posted by helen - 04 Sep 2016 11:09
Hi Kev,
Did read about this Seminar. I've had several blood tests and was told all ok apart from thyroid, so on ow dose Levothyroxine to correct. Don't know what test for inflammatory markers is?? Have you learned anything new since the Seminar took place, be interested to hear your views.
Best wishes Helen
