how is your doctor? Posted by gmedic123 - 27 Nov 2005 22:39

here is a thought:⁶

Could we have a forum area to speak about docs, be they PM, GP, or Specailists

Who have been x-tremly good to us or ones we would not reffer out too?

this could help new AA people find the good docs...or at least stay away from the horrible ones. [●]

Ignorance in my Docs I can tolerate; but stupidity has no place

when it comes to our health!

what ya think? you could name the state and go from there.-Gina
