He's been at it again

Terry is a carer of trip here of the mass and ego trip here of the mass and ego trip here of the once said to me and Debs - 'Thanks for giving me my Ann back'.

I didn't cure her pain, I didn't stop her bad days, I didn't do anything for her but understand and believe

Sometimes that's all that's needed!

DocSarah believes us, because she has been there herself and we believed her.

I've got good news for our support group, so going off to report that

Kim
