

Sorry

Posted by Kim - 05 Mar 2007 03:02

Hi all

Sorry I deleted forum discussions because the same idiot tried placing more adverts. Instead of 'editing' him/her/it I deleted and that deleted everyone else. Nice person. You will probably get another advert tomorrow before I can get it fixed by Jamie (Liverpool lost a football match so everyone is in mourning).

Me I had another good day today and tomorrow i am off inspecting a 'pain clinic' oh joy

Kim
