

The Mystery of Pain - new article.

Posted by Kim - 17 Jun 2008 14:11

OK the new article is posted (hasn't got whistles and bells yet and will also find it on the front page as well soon with a link. Meanwhile the link is here

www.theaword.org/index.php?option=com_content&view=article&id=719&Itemid=41

Or if I got that wrong go to Articles on the side panel and then Latest article.

Need to put in some internal links as well as external links (which opens in a new window so you don't lose our site. Just about at the edge of my geekyness 😊

To print out it is 5 pages long in text only. (It will be 7 when (if) I get the pictures in the right place).

I am hoping to complete all today but yesterday nearly 6 hours was a killer:S

Any comments welcome on the article will be welcomed by us and DocSarah.

Bye for now

Kim
