

New Articles

OK

I promised new articles and they are up there:(

It's just at the moment you have to go looking yourself. They are in Articles and then Latest Article.

Couldn't get the "links" to work so I could put them on the front page.

Questionnaire two up. Three nearly there and Four is a follow up in three/six/twelve months.

My pathetic plea to Jamie has fallen on deaf ears today (Liverpool drew at Home) 😞

Try again tomorrow

Finally managed to get the links up. It's easy when you know how! 😊

If you find the latest Front Page could be improved or any problems then contact me

DocSarah, herself, also wants to hear from you with comments on the Sleep article, Pregabalin and of course the all important questionnaires Hope you can help her out on that 😊

Next project to get the Database results into a report format. I could send an Excel file to anyone interested. It's all anonymous of course. Sorry I haven't mastered online form filing yet but with my small eyeballs.....

Bye for now
