

SWELLING IN HANDS and EYES

Posted by helen - 05 May 2009 21:16

Does anyone have swollen hands? Now my neck is crunchy, tight and painful my hands have become swollen and get worse with use! Also on waking, the whites of my eyes are puffy - any ideas??

Would appreciate any feedback - regards Helen

And the Doc replied

see own doc asap!!!!

DocSarah

Sorry not be more helpful than that but DocSarah couldn't diagnose anything online. It would not be ethical

Hope you get some answers soon and let us know

Take care

Kim
