my email

This e-mail address is being protected from spambots. You need JavaScript enabled to view it

is down at the moment thanks solely to virginmedia.com/contact

Thankfully my Jamie will be able to come but not until next Tuesday. They have 'upgraded' their systems and knocked my service off! 😞

Things have to be re-configured??? he is aware of the problem.

Any problems please email Ann (our Chair) at

This e-mail address is being protected from spambots. You need JavaScript enabled to view it

and she can telephone me.

Sorry people, I am not technically qualified to fix this. I just populated our website.

Kim
